

- Once logged in, click on 2025 **SEEDED ACREAGE REPORT** listed under the insurance section of your landing page.

- Answer **YES** or **NO** to all Seeded Acreage Report questions.

- Click on **+ CROP** to enter seeding information for each quarter section of land.

4. Enter in crop type, seeding date, variety type, and acres for the respective quarter section of land, then either click:
  - a. **ADD FIELD** to continue adding crops to this legal description, or
  - b. **ADD FIELD & CLOSE** to move on to another piece of land.

5. To enter a new forage establishment, follow one of the two steps:
- a. With cover crop – Key your cover crop following the above step, then check the **UNDERSEED** box to add your underseeded crop.
  
  - b. Without cover crop – follow step 4 just like you’re adding any other crop.

6. To add a new legal description, use the **SEARCH LAND** button to find Manitoba land, or **+ ADD OUT OF PROVINCE LAND** to add Saskatchewan land.
  - a. Select your quarter or quarters and enter your section, township, range, and meridian.
  - b. Click **SEARCH**, then check off all quarter sections you wish to add.
  - c. Add field alias if desired, indicate if rented or owned, and what share of the crop is yours.

8. Click on **+ UNSEEDED** to key in too wet to seed, unused land, summer fallow, pasture, etc.

9. Once you are finished keying in all seeded acres, review the **ERRORS AND WARNINGS** page and review/correct any listed errors.

10. Move to the **SUMMARY** page to review the totals for all seeded and unseeded acres.

11. To file your Seeded Acreage Report, move to the **REVIEW AND SUBMIT** tab. If you feel you need to clarify anything, please leave a detailed comment in the comment box prior to submitting. You will no longer be able to edit your report once it is submitted. When ready, agree to the declaration and click on **SUBMIT SEEDED ACREAGE REPORT**.
