5. To enter a new forage establishment, follow one of the two steps:
 - a. With cover crop – Key your cover crop following the above step, then check the **UNDERSEED** box to add your underseeded crop.
 - b. Without cover crop – follow step 4 just like you’re adding any other crop.

6. To add a new legal description, use the **SEARCH LAND** button to find Manitoba land, or **+ ADD OUT OF PROVINCE LAND** to add Saskatchewan land.
 - a. Select your quarter or quarters and enter your section, township, range, and meridian.
 - b. Click **SEARCH**, then check off all quarter sections you wish to add.
 - c. Add field alias if desired, indicate if rented or owned, and what share of the crop is yours.
